

The International Cyanide Management Institute

Hereby presents this certificate in recognition that

Transaltisa S.A.

Has undergone a detailed site inspection and review of its records and documentation by an independent third-party professional auditor meeting the Institute's requirements who has determined that its cyanide management systems, plans and procedures have been developed and are being implemented in compliance with the International Cyanide Management Code for the Manufacture, Transport and Use of Cyanide in the Production of Gold. This certification is effective for three years from the date of this certificate.
